

SWVP BULLETIN

01 October 2012 - Vol 1. No. 6

Message from the Chair

This is the sixth SWVP Bulletin meant to update you on SWVP activities and plans. SWVP is an historical research organization with several inter-related goals and objectives (see www.swvp.ca/purpgoal.html) with the main purpose being to discover, or perhaps more aptly, re-discover, Sir William Vaughan and his connections to 17th century Newfoundland.

Sir William Vaughan Project Activities

Activities were limited through August and September as Organizing Committee members were busy at home and abroad. The OC will meet in mid-October to review and renew the Research Plan and chart a new course for 2013.

International Virtual Symposium on Early Modern Wales and Newfoundland 2012

The IVS EMWN 2012 opened its web site on 17 September. Initially, six articles were posted. Several others who expressed an interest were unable to deliver on time but it is hoped they will provide their papers soon. The site will remain available for updates and postings.
